PROFILE

As a recent BrainStation graduate with an interest and background in the culinary industry, my dream is to help bring the world together and make an impact in everyone's everyday lives. I'm very excited to work in the field of Web Development because it will allow me to use my experience in communication to potentially bring the team together, and make everyone feel a part of a collaborative effort.

SKILLS

C++, Java, HTML, CSS, JavaScript, Emotion, Gatsby, WordPress JSON, Node, React, Express, MySQL, Agile Development, Document Object Model (DOM) APIs, Web API's, User Authentication, OAuth, Heroku, GitHub, Jest

PROJECTS

Programmer | Google Industry Project

Nov 30, 2022 - Dec 1, 2022, Hackathon

- Developed a mobile app focused on Health and Fitness for paraplegics using React.js, HTML, CSS, GitHub
- Worked in a team of 7 participants in developing, an application that is designed to leverage digital solutions to provide equal access to people with disabilities to resources and information

Programmer | CAPSTONE Project

Nov 23, 2022 - Dec 14, 2022, School

- Designed and developed a volleyball website using React.js, HTML, CSS, MySQL and GitHub.
- Developed a website focused on giving all volleyball players an all-in-one access to coaching, locations to play at, and online resources for gameplay mechanics.

EXPERIENCE

Volunteer Web Developer (Remote) | AAIFF

MAY 2024 - Present, Vancouver, BC (Organization based in New York, NY)

- Collaborated with a team to revamp the organization's website using React.js, Emotion, Gatsby, WordPress, and GitHub.
- Worked closely with designers to implement their designs accurately.
- Addressed, resolved bugs and managed urgent implementation requests to maintain website performance.

Freelance Web Developer

FEB 2024 - MARCH 2024, Vancouver, BC

- Developed and optimized website using Squarespace, HTML, CSS, and JavaScript.
- Helped optimize client website by adding animations, readjusting content spacing, and incorporating additional content to enhance user experience.
- Communicated effectively with client to establish goals, deadlines, and project requirements.
- Collaborated with Project Leads to ensure all adjustments met client expectations and made necessary readjustments.

Prep Supervisor | Brownies Chicken and Seafood

FEB 2022 - SEPT 2023, Vancouver, BC

- Organized workflow and ensured that employees understand their duties or delegated tasks
- Monitored employee's productivity and provided constructive feedback and coaching
- Communicated information from upper management to employees and vice versa
